📍 Kurunegala, Sri Lanka

EDUCATION

University of Sri Jayewardenepura
B.Sc. (Honours) in Statistics (**reading**)
Department of Statistics

May 2023 - Present
CGPA: 3.38/4.00

Science and Information Technology City Campus
Diploma in Human Resource Management and Administration

Jan 2023 - Jan 2024

The Institute of Bankers of Sri Lanka
Intermediate in Applied Banking and Finance

Mar 2023 - Present

Sarvodaya Fusion
Diploma in Computer Application

Sep 2017 - Sep 2018

Joseph Vaz Institute
Certificate Level II of the Aquinas Diploma in English

Mar 2022 - Dec 2022

Maliyadeva Balika Vidyalaya
G.C.E OL
G.C.E AL

Jan 2007 - Nov 2022

SKILLS

Programming

R, Python

Packages

numpy, pandas, scikit-learn, matplotlib, seaborn, plotly

Software & Tools

Minitab, SPSS, EViews, Maple, MATLAB, Microsoft Office, L^AT_EX

Data Visualization Tools

Power BI, Flexdashboard (R)

Coursework

Data Mining, Stochastic Processes, Bayesian Statistics, Generalized Linear Models, Time Series Analysis, Data Visualization, Regression Analysis, Statistical Inference, Probability Theory, Linear Algebra Multivariate Statistics, Differential Equations, Sampling Theory Intermediate Microeconomics, Intermediate Macroeconomics

WORK EXPERIENCE

Intern

Apr 2022 - Oct 2022

Bank of Ceylon

- Facilitated opening, maintenance, and closure of savings accounts and fixed deposits
- Managed customer account services including passbook updates and issuance of banking documents
- Assisted in delivering digital banking solutions and customer support for online services
- Ensured accurate processing of banking transactions and documentation
- Delivered efficient front-line customer service in a high-volume banking environment

PROJECTS

Ditwah Land Slides Data Visualization Dashboard and R Package Development (Ditwah Data Hub Project)

Nov 2025

- Transformed unstructured PDF data into clean datasets for analysis
- Developed an interactive data visualization dashboard
- Contributed to R package development for reproducible analysis
- Applied R programming and data wrangling in real world tasks

Project available at: <https://thiyanagt.github.io/DitwahDataHub/>

Forecasting Commodity Net Export Price Index (CNEPI) Using ARIMA Models

Jun 2025

- Developed an ARIMA model to forecast the Commodity Net Export Price Index (CNEPI)
- Conducted data preprocessing and stationarity testing (ACF/PACF)
- Evaluated model performance using forecasting accuracy measures
- Analyzed net export dynamics for economic interpretation

Project available at: <https://github.com/amalirajaksha/CNEPI>

Interactive Demographic and Health Data Dashboard for Australia using R Shiny

Nov 2025

- Developed an interactive R Shiny dashboard for exploring and visualizing demographic and health related data for Australia, enabling user-friendly analysis of key population and health indicators.
- Implemented dynamic visualizations and filtering tools to support data-driven insights and exploratory data analysis.

Project available at: <https://github.com/amalirajaksha/health-data-dashboard-ongoing->

DS Job Tracker Survey

Nov 2025

- As a group Collected and documented data related job advertisements (2024–2025) based on the previous [DSjobtracker](#) package
- Developed the [Job_Ad_Data_Collector](#) app to facilitate easy collection of job advertisement data
- This survey aimed to investigate current employment opportunities in data related fields.
- Integrated datasets collected by different groups and performed data cleaning

Project available at: https://github.com/amalirajaksha/DSjobtracker_survey

CERTIFICATIONS

Analyzing Data with Power BI *Analytics Vidhya*

Feb 2026

- Credential ID: 460qcjgohe
- [Show credential](#)

Intro to AI *365 Data Science*

Nov 2025

- Credential ID: CC-458936358D
- [Show credential](#)

VOLUNTEERING

Organizing Committee Member

Jun 2025

Quora 3.0 - Statistics Society, Department of Statistics, University of Sri Jayewardenepura

- Helped organize [Quora 3.0](#), an annual quiz competition for first-year students.
- Worked with team members to manage event activities and support participant engagement.
